ABOUT THE PROGRAM FOR THE NEXT MEETING:

We will hear from one of the foremost authorities on a subject of great interest to our group. Mr. Russell Olson will discuss the beginning of the T.C.R.T. and take us through the growth and expansion of the company to its peak as one of the finest and fastest street railways in the country. Car 1300's place in this story will not be overlooked. Later another program will conclude the final story of the Twin City lines.

READ "OPERATING RULES" CAREFULLY...

MUSEUM BYLAWS TO BE VOTED ON SEPT. 26TH

A small but active group of devoted MTM members has spent many long hours developing the final draft of the organization's By-Laws. Your advance copy is enclosed with this newsletter.

IMPORTANT: Please take a few minutes before the General Meeting on Sept. 26 to study these proposed By-Laws. They have been approved in their present form by the Board of Directors, and will be voted upon by the general membership on Sept. 26th.

In order to avoid lengthy reading of each item in the By-Laws, the Board suggests that each member of MTM make note of any changes which he or she would like to have considered by the group. A call for these suggestions will be made from the chair at the meeting and discussion will then center around only those items which it is deemed necessary to discuss before final ratification takes place. PLEASE READ THESE BY-LAWS AND MAKE NOTE OF ITEMS YOU WOULD LIKE TO CHANGE OR HAVE CLARIFIED AT THE NEXT GENERAL MEETING.

WHO'S WHO IN MTM?...

NEW ROSTER OF MEMBERS HOT OFF THE PRESS

Who knows, one of your neighbors may also be a member of MTM, or maybe someone from your plant or office. Look through your new Membership Roster and at least see if we spelled your name right.

Seriously, our thanks go to Judy Sandberg and Ray Benson for the editing and publishing.

THOUGHT FOR THIS TIME: You'll get out of your Museum membership only in relation to what you put into it. See you at the next meeting? Hope so...
